

EB Update - Saturday, 30 September 2017

Thanks

We all very much appreciate **Trevor** for keeping up the **EB Updates** for the seven weeks Heather and I were away. They were all published on the www.appease.net.au/eb web site. If you haven't yet been on this site, go to it. Not only are the EB Updates presented there, but also our weekly results tables. These results are posted to this website even before Lloyd rises to announce them at our Afters. Test that out if you wish.

Golf on Tuesday - You have a choice.

On Tuesday all EBs are eligible to play in the 18 Hole competition, sponsored by the EBs with a prize of \$100. Call Laurie if you wish to do this. But do it real soon because he has to enter competitors on the computer. Hit off time is after 11.00 am

Should you choose to play the 9 holes as usual, then hit off time is 7.30 am. There will be no fee or prizes for this group.

GGC AGM - Wednesday, 4 October @ 7.00 pm

Join Lloyd, Alf, Trevor, Ron and Kevin at the AGM next Wednesday evening.

Your vote for Vice President needs to be in by 5.00 pm on Tuesday, (3 October). Make sure you **print your name and sign** the Ballot Paper envelope. Evidently many returns have not done this, thus those votes are invalid.

Away on Trips

Following their trip to Bali **Stuart & Hazel** are off again soon to Spain and Portugal.

Laurie & Helen, Chris & Linda, Lou & Noelene, Roy & Robyn along with **Kevin & Heather** are all back from their respective trips OS.

Captain Friday's Thursday Review

AM 18 holers There were 43 starters today the Best EB was Kevin the unbelievable with 41 points. He finished 2nd in the competition. The next best was Michael Knight with 36 points. Laurie and Roy finished up with a creditable score of 34 points each. The EBs had 4 members in the top 9 which was very good considering the day was very wet I'm surprised that the comp wasn't cancelled. The nine holers enjoyed their mornings golf as we didn't even have to put our brollies up. Alf, Trevor and Rob played a stable ford game. Alf took the money again this week. He is coming back into form after about a month off with health issues. Lou and Ron played Matchplay again, and after 9 holes we were all square . That's it ! Off to bed ! Cheers Captain Friday

Nine Hole Playing Rights - Clarification

Trevor has been corresponding with our General Manager James concerning 9 Hole Playing rights.

Below is an email Trevor sent to some EBs recently:

Hi,

As promised I had a brief meeting with James, the GGC General Manager, this morning concerning his recent email re 9 Hole playing rights.

The current arrangement allowing us to play 9 holes on Thursday morning will continue. We will need to play from the 10th Hole and be away by 7.00 am. This will mean that we will be ahead of the 18 Hole field starting on the Back 9 and will not interfere with the 18 Starters on the Front 9.

If we are more than one group the initial group/s will need to tee off earlier to ensure that the last group is away by 7.00 am

The long standing concession to allow 9 Hole golf on Sundays after 3.30 pm (on days when there is no competition or the course is closed for other reasons) has been withdrawn by the Board because some 9 Hole members have been playing outside this time slot. As James explained this concession never formed part of the 9 Hole members playing rights but nevertheless had been permitted.

James kindly sent me a copy of the 9 Hole Members membership invitation letter which sets out the 9 Hole playing rights. An extract of the relevant section is appended below.

Regards Trevor

Extract from 9 Hole Members Invitational letter :

As this category suggests your playing rights are restricted to 9 holes per day which should not clash with scheduled competitions. Times available are Monday all day, Tuesday morning with the EB's and after 3:30pm, Wednesday after 12:30pm, Thursday after 3:30pm and Friday all day. If in doubt, please check with the Golf Shop (9455 1917) as sometimes Corporate Days are scheduled that are entered in our fixture book after the date of publication.

Heather, Peter and Dale at Lunch at Port en-Bissin, France, September 2017

Over the next few EB Updates I will post photos I took playing golf in France with Peter along with others I took whilst staying with them mid September.

Peter and Michael W. have both recently expressed their appreciation for getting emailed EB Updates. It is reassuring to know that they value this communication. I know there are many others who equally value getting them.
